

Computer Aided Design Drafter/Architectural Technician

Atriax is an inclusive company with a life/work balance that is unrivaled by any peer companies. The main office is in a quirky historic house in downtown Hickory, North Carolina. The entrepreneurial spirit that began 20 years ago, endures today with new markets, challenges and experiences for everyone. The culture is collaborative, challenging and demands considerable fun!

Founded in 2001 by two retired US Air Force engineers; the Atriax Group is a multidisciplinary group of companies providing design, construction, and development services to the US Government and to select public and private entities worldwide. Our success is due entirely to the high caliber of employees we recruit, hire, and retain. At Atriax, we look for professionals who thrive in a high-performance environment where challenges are the norm and success is expected.

Position Summary

The Atriax Group is seeking a dynamic and passionate CAD Drafter/Architectural Technician to join our firm. As an Atriax Drafter, you will work closely with other registered architects as well as architecture cell colleagues on a diverse portfolio of projects that span the globe. You will be involved in the day-to-day design of our multi-discipline, architectural and engineering projects from the initial planning through construction phase.

The successful candidate's responsibilities will include:

- Creation of and edit/revisions of CAD drawings consistent with client requirements for format, standard, quality and timeliness
- Create detailed design documentation
- Create drawings in both 2-D and 3-D form
- Proficient in Revit
- Design floor plans, elevations, and realistic renderings with the help of software
- Produce final hard and soft copy suitable for submission to clients consistent with contract requirements
- Aid in the selection of materials for projects
- Produce draft and final design specifications using standard guide specifications
- Participate in site visits and conduct field measurements to validate existing site and as-built conditions
- Participate in site visits and client meetings, take notes meeting minutes and produce record of such meetings
- Travel to client locations is required. Travel typically ranges from day trips to 1-2 overnight trips
- Work cooperatively in a Team environment with Atriax staff, consultant staff, users and client staff

As a Service Disabled Veteran Owned Small Business, the Atriax Group has a deep commitment to veteran hiring, support, and career advancement. We are especially interested in candidates who are veterans or transitioning military personnel.

Compensation commensurate with experience.
